- April 1** Information mailed out to last year's teams and interested teams for 2010.
- April 20** Deadline for submitting entry fee for last year's summer teams.
- April 22** 9:00 am Team applications from NEW teams will be accepted any time prior to 9 am on **April 24** at which time there will be a lottery drawing in the Parks and Recreation office to determine the order for filling vacancies in leagues. **After this date, teams will be accepted on a first come, first serve basis for any league vacancies.**

LOTTERY INFORMATION - Interested managers of new teams should submit a \$296 check made payable to "City of Troy". Acceptance of the fee does not guarantee a place in our leagues, but puts the team into the lottery drawing. All openings will be filled in the order of the lottery.

Checks will not be cashed until a spot is awarded. New teams will be notified by phone on **April 22** regarding the lottery results. Teams need not be present to be accepted. To prevent teams from having more than one entry in the drawing, the only refunds given will be to those teams unsuccessful in obtaining an acceptable league.

ENTRY FEES - \$296 per team for all leagues. Make checks payable to CITY OF TROY. The fee includes field maintenance, schedules, awards, and administration.

AWARDS – Consist of sponsor trophy for the regular season league champion and runner up. Individual awards are also presented to the regular season league champion.

OFFICIALS' FEE – Teams will pay officials **before** each scheduled game. Each team will pay a \$60 (cash) officials' fee. Officiating crew will consist of one field referee and two lines-people.

TEAM PLACEMENT PRIORITIES – Last year's teams are placed in the following order:

- 1) Last year's teams having the same manager & at least 7 players from that team.
- 2) Last year's teams having the same sponsor & at least 7 players from that team.
- 3) Last year's teams having at least 7 players from that team.

The new teams will be placed in order of the lottery drawing. Teams will be given their first preference if that league still has an opening; if not, they will get their next choice and so on. The department reserves the right to re-classify any team in any league at any time!

NEW TEAM'S CHANCES – It depends on how many teams do not return from last season and how many new teams apply for entry in the lottery process.

SWITCHING LEAGUES – Some returning teams are shifted from one league to another based on last year's finish. Teams finishing first or last may change leagues. Returning teams wishing to change leagues will be given priority according to their date of registration, if openings exist in the desired league after the returning team deadline.

PLAYER ELIGIBILITY – The men's leagues are for men only, women's leagues are for women only and Coed for both men and women. Players must be the appropriate age for the league by the time they sign and submit a player registration form. Participants in a "SPECIALTY LEAGUE" (i.e. 30, 40, 50 & Over, Coed) may also play in OTHER LEAGUES (i.e. a female age 31 can play in the 30 & Over women's league and the women's 18 & Over league). **EXCEPTION** – A player cannot play on two teams in the same league.

All participants should be prepared for player identification checks throughout the season. All players should have their driver's license in their possession at all times. Failure to provide a current valid Michigan driver's license (with photo) or a State of Michigan picture I.D. may result in forfeiture of game.

COED LEAGUE - Coed teams must have a minimum of 5 females on the field at all times unless playing short players and in that case, males can out number females by only one.

RESIDENCY – All players living or working (full or part time) in Troy will not be assessed additional fees. There is a \$30 fee for each non resident listed on the roster, to be paid when the team registration form is submitted to the Recreation office.

2010 - teams may carry an unlimited number of non residents on the team roster.

ROSTER LIMIT – Each team may not have more than **20 PLAYERS** (22 for Women 30+) on their official roster.

UNIFORMS AND EQUIPMENT – Matching shirts with a large numeral are required. Additional uniform items are not mandatory. Metal spikes are NOT allowed. All players must wear shin guards. Teams must supply their own soccer balls.

INDIVIDUALS LOOKING FOR TEAM PLACEMENT – League entries are on a team basis only. Individuals wishing to play may fill out the appropriate blank on the application and return it. Those names and phone number will then be given to the team managers at the pre-season meeting. Some may receive a call and some may not as the Parks and Recreation Department does not form teams. Players wanting to have a better chance at playing are advised to visit the soccer fields during early June and ask practicing teams if they might let them practice with them.

REFUNDS – are not given to new teams who are offered a league spot through the lottery process. Refunds to returning teams or teams registering after the lottery will be given as follows: If refund is requested before the manager's meeting, \$10 administration fee will be withheld. If refund is requested at or after the manager's meeting, and before schedules are printed, there will be a 75% refund. If refund is requested after schedules are printed and at least 10 days before the season begins, there will be a 50% refund. There are no refunds after 10 days prior to the season beginning.
